

Designed to work the way the world works

Your time better spent

SD One MF MFP

Designed to work the way you work

Better perfect than just "done"

Changing the future of large format MFP

The right tools to let you bring out your best

You don't win by copying - you win by adding value

MFP made smarter

It's not just how it works with my printer
It's how it works for me

Contex SD One MF

Intelligently Integrated

Personalize your scanner

Centered around you, not your scanner. Individual user profiles allow easy use by the entire team. Set up once, remember forever.

WiFi Enabled

The only WiFi enabled wide format scanner. WiFi compatibility makes SD One MF easy to both set up and use.

Scan direct to project folders

SD One MF remembers your preferences and scans direct to your saved project folder or mobile platforms through integrated Cloud support. One click scanning is now at your fingertips.

Secure scanning

Protect your data. Log in with your PIN each time you scan.

It's not just about copying
It's about adding value

Contex SD One MF

Intelligently Versatile

Maintenance

90% of construction is re-work. Use SD One MF to capture every change.

As-builts

SD One MF makes it easy to mark-up and annotate your scans to copy or share.

Design

However you work, SD One MF is an integral part of the design process. Start with a hand drawn document then digitize. Be inspired by old documents and use SD One MF to bring them back to life.

Printing is just another app

Don't be constrained to just one printer, or to just copying your scans. Direct printer drivers are included with SD One MF, giving you complete integration with your preferred printer.

HP / Canon / EPSON

Integrated

It's not just about sharing
It's about a shared understanding

Contex SD One MF

Collaborate Intelligently

Share

Collaborate to unlock your project's potential. SD One MF shares your documents, so you can share your ideas and knowledge.

Mark-up directly on scanner

Save money on ink and media. No need to print before you mark-up your document.

With a touchscreen the size of a tablet PC, you can make changes to your document right on your scanner, ready to share or save.

Cloud Connected

Integrated Cloud support supports collaboration with clients and partners, as well as internal colleagues.

rainforest365 ready

Securely scan and share in one step.

Available from iTunes, rainforest365 takes personalization, collaboration and ease of use to the next level by making scanning from your wide format scanner simple. With rainforest365 you can view your scans on your iPhone or iPad then email or save to your preferred Cloud destination.

It's not just about close integration
It's about working your way

Contex SD One MF

Work Intelligently

Choose your printer

Compatible with all major printer brands, SD One MF gives you complete flexibility to use the right printer for you. No limits.

Printer Drivers included

HP, Canon and Epson native printer drivers are included as standard.

Fully Integrated

SD One MF is a powerful standalone scanner that is also as tightly integrated with your printer as an all in one machine. All the benefits. None of the drawbacks.

Stand Options

SD One MF can be positioned to support your needs. Place it beside the printer on a low stand for full accessibility; position on a high stand or sitting directly on the printer to save space. Your choice.

HP / Canon / EPSON

Integrated

It's not just about getting it done
It's about trust

Technology leadership
you can trust

Contex SD One MF delivers intelligence to MFP

Bring multi-function to your existing printer with this new scanning communications device.

With SD One MF, you get more: more details, more features, more possibilities and more quality. You get all the Contex knowledge and experience compressed into one easily operated device.

The SD MF large format scanner comes equipped with a touchscreen the size of a tablet PC, so you can scan, annotate, mark-up, file, and share your scans on one single device.

SD One MF doesn't just give you scans, it gives you possibilities.

WiFi enabled

WiFi enabled and designed to recognize each and every individual user, you can now share scans directly to your designated network folders or your personal Cloud. SD One MF simplifies internal and external collaboration.

Cost recovery

Print management software and hardware are embedded within SD One MF, allowing you to track the cost of every scan, copy and print.

Technology leadership you can trust
